Subject: FW: draft proposed schedule for Shaun

Here is a draft. I am planning to do talking points for his trip. Let me know if you have inside tips on what he likes/doesn't like on these trips. I also plan to make sure he is driven everywhere and escorted or given good directions if he wants to walk to meeting. It is kind of nice to get a walking "break" between meetings. We have a room reserved for him at Huckleberry. Mike Cirian has offered to also take him on a tour of the Columbia Falls site.

Here is a draft schedule I propose for Shaun. I have not yet contacted any of the names highlighted to arrange these meetings. Please advise on whether I should move forward. Christina, I know you are still trying to determine the schedule for the LARP exercise but we might be able to do the fire preparedness meeting Thursday morning instead (and have Shaun do the construction drop in's Wednesday morning).
